**REPORT ON ANSWERS RECEIVED FROM THE STUDENTS OF B. N. COLLEGE,
DHUBRI FOR THE SESSION 2013-2014**

INTRODUCTION:

Student feedback was taken from the students of both science and arts faculty specially having major subjects for the academic session 2013 – 2014 Data were collected from 62 students regarding various parameters.

OBJECTIVE OF THE STUDENT FEEDBACK:

The main objective of the study was to know about the following parameters and to improve / arrangement of them on the basis of the response or answers received from the students.

The following points were included in the student feedback form:

1. To study the extent of coverage of course
2. To study the applicability /relevance to real life situation
3. To study the following points /parameters on teachers
 - (a) Regularity in taking classes, (b) Knowledge base, (c) Communication skill (d) Preparation for the class, (e) Sincerity/commitment (f) Accessibility in and outside the class etc.
4. To study the overall view of the student on the basis of the following points/
parameters
 - (a) The syllabus of each course
 - (b) How much of the syllabus was covered in the class
 - (c) Subjects offered by the college
 - (d) How far the unit test help to improve their studies
 - (e) About the library service provided by the college
 - (f) Availability of library resources
 - (g) Service provided by the college office
 - (h) Comment on drinking water and toilet facility provided by the college
 - (i) Facilities for extra-curricular activities
 - (j) To know about the teacher-student relationship

METHODOLOGY

The study was conducted by using questionnaire method. For this purpose a questionnaire was prepared including the points mentioned in the objectives of the study. There were 62 students from which feedback were taken.

The data so collected were properly scrutinized and very careful statistical analysis of the survey is made.

FINDINGS AND CONCLUSIONS:

The first question included in the questionnaire was about the extent of coverage of course. It is observed that 37.09% students remarked as very good regarding extent of coverage of course. 38.71% students answered as good, 14.52% answered as satisfactory and none of the students remarked as unsatisfactory.

Regarding the question on applicability / relevance to real life situation 41.94% students remarked as very good, 30.65% of students replied as good, 22.58% students remarked as satisfactory and none of the students remarked as unsatisfactory.

Regarding the question on learning value of the course content 48.39% students replied as very good, 22.35% remarked as satisfactory. 19.35% students remarked as good and none of the students remarked as unsatisfactory.

FEED BACK ON TEACHERS:

The of the answer received from students regarding teacher on various parameters mention in the objectives of the study is given in a separate chart (i.e. TABLE NO-2)

OVERALL EVALUATION OF THE COLLEGE:

Some questions were included in the questionnaire to know about fruitfulness of unit test, syllabus, library facility etc. provided to the students by the college authority.

A question was put regarding the syllabus of each course. Although the syllabus is different for different subjects, yet an average 67.74% students answered that the syllabus of the course is adequate, 8.06% answered as inadequate, 17.74% told as challenging and none of the student answered as dull.
